

D.O.T. Rules and PA Registration, Weight Laws Seminar

Presented by G-Stone D.O.T. Consulting – Mike Genareo
President and retired PSP Motor Carrier Enforcement Officer
and hosted by the Mercer County Builders Association

Do you know if you are compliant with current regulations? If you haul anything in, on, or behind a truck please plan to attend! DOT infractions can cost you and your business thousands of dollars. This seminar is designed to educate the public about laws pertaining to licensing, weight, and hitch requirements as well as proper load securement, physical qualifications for drivers, chains, lights, inspections and more.

Wednesday – May 15, 2019
