1. How long have you been with 84 LUMBER?

"I started with the company in March of 2002 at Mars PA."

2. What positions have you held with 84 LUMBER?

"I began my career as manager trainee. After 4 months I went into outside sales for approximately 11 years. I then took Co-Manager position for 7 years. In 2020, I was promoted to Manager of the Grove City PA location."

3. What is your favorite thing about the construction?

"Hands Down--It is the people! Some of the hardest people I know are in the building industry. Our customers and my co-workers combined.."

4. What do you like to do outside of work?

I enjoy time with my wife, working around the house or weekend away. I like to fish and golf when time permits. Getting together with friends is important too
