PBA WORKERS' COMPENSATION

The PBA Workers' Compensation Program is an alternative market program to help members save on workers' compensation costs.

ASSISTANCE WITH EMPLOYEE MANAGEMENT, BENEFITS & HR

Managing your employee benefits with industry expertise, a proven approach, and user-friendly technology.

Joining the Builders Association provides our members with a variety of different benefits. We are continually adding new benefits to ensure that our membership remains a valuable resource for your business. Our member benefits span local and national retailers. We invite all companies involved in the building, construction and housing to apply for membership. We have minimum requirements for membership that all applicants must meet and all members must pledge to the Code of Ethics. Please visit www.banwpa.com for more information, email us at info@banwpa.com or call 814-833-3999.

3 IN 1 MEMBERSHIP

Membership provides an opportunity for you to help shape the future of your business and the home building industry. When you join the Builders Association your membership automatically provides membership in the Pennsylvania Builders Association (PBA) and the National Association of Home Builders (NAHB). Your membership gives you access to training, advocacy, networking and exclusive value added benefits both locally and nationally.

As a member you will receive:

SPECIAL DISCOUNTS & MEMBER BENEFITS

Builder Association members receive Special Discounts and Member Benefits both locally and nationally. Membership can pay for itself through a variety of benefits and programs offered.

NETWORKING & COMPANY RECOGNITION

Network with others in the industry at Builders Association events. There are many different opportunities to showcase your business: Awards of Excellence, participating in our programs, sponsoring an event and advertising with the Association.

BUSINESS EXPOSURE & REFERRALS

Listing in annual publication that is mailed to select areas and incomes. FREE member directory landing page on www.banwpa.com populated with your company information. Customer referrals from our website, calls, directory searches, social media posts and news outlets.

MEMBER RESOURCES

Opportunities to improve your skills, advance your career and keep current on changes in our industry locally, statewide and nationally.

We invite all companies involved in the building, construction and housing (including companies that provide services, materials and supplies to the industry) to apply for membership. Please visit www.banwpa.com for more information, email us at info@banwpa.com or call 814-833-3999.
