MEMBERSHIP ALTERNATIVE

We are aware that area has builders and business leaders who have preferred only Mercer County memberships rather than being affiliated with the Pennsylvania Builders Association and National Association of Home Builders.

Responding to this interest, we have developed a parallel program. Beginning January 1, 2010, we have extended a membership option of enrolling as a Mercer County Builders Association Member at the annual fee of \$250.00 with the following benefits.

- Listing in Association Member Directory
--print copy web page
- Attendance at our memberships events
- Access to industry education/assistance
- News letters/Industry Data reports/
meeting notices/summer picnic & more
- Opportunities to participate in our annual Home Show.
- Continued referral and informational support from our Association Office.

Please note as Mercer County Builders Association member only, you will not be eligible to enroll in PBA or NAHB benefit programs, and because your dues will remain in our Mercer County Builders Association, you will no longer be paying PBA or NAHB dues.

A great deal of effort has gone into making this changes as efficient and painless as possible. As always we welcome your feedback. Please don't hesitate to contact our Association for comments/questions.
